Discussion of policy requirement of coaches to record Playing time

Coaches have been made aware of this policy and were also distributed documents to help them in the record keeping process. This will remain a mandatory practice.

Review Current Policy: Release of travel (athletic) evaluation submittals

FOI is full and Complete disclosure of evaluations.

Consideration / Discussion of Player Attendance Policy

The committee was in agreement that there needs to be an attendance policy written. There was a productive discussion surrounding other commitments such as school and church. It was determined that we should establish a policy and adjust as we move forward and exceptions arise. Tom will draft something and send it out to the other committee members for review. Shay & Jenn will send an email to Tom in regards to anything they feel strongly that should be included in the verbiage. The policy will be communicated and acknowledged at time of registration. The committee was leaning towards this being a travel only policy.
