FREE WORKSHOP BUILDING HEALTHY COMMUNITIES

Tuesday, June 9, 2015

5:30 pm – 7:30 pm

Town Hall Annex, 57 Main Street, Ellington, CT

Present by: Walkable Communities expert Mark Fenton

Hosted by: Ellington Conservation Commission and the Ellington Planning Department

Sponsored by: North Central District Healthy Department

HOW CAN ELLINGTON BUILD HEALTHIER COMMUNITIES?

Residents, commissioners, local officials, etc., are invited to participate in a Healthy Communities Workshop. Discussion will include:

- Building community health in every sense.
- The four keys to healthy community design, and the benefits.
- Approaches from across the U.S.
- Cost-effective Complete Streets techniques.
- First easy steps to walk/bike-friendly communities.

There is no fee to attend. **PLEASE PRE-REGISTER** with the Ellington Planning Department at 860-870-3120 or planner@ellington-ct.gov. Light refreshments will be served.
