1. To consider a resolution,

(a) to appropriate, upon the recommendation of the Boards of Selectmen and Finance, \$2,000,000 for costs related to the acquisition by the Town of one or more parcels of land, or of easements or other interests or rights related thereto, for municipal purposes and open space, including without limitation use as a school site; provided that no portion of the appropriation shall be expended for the acquisition of a particular parcel of land, or of easements or other interests or rights related thereto, other than for costs preliminary to such acquisition, until: (1) such acquisition has been submitted to the Planning and Zoning Commission of the Town for review pursuant to Section 8-24 of the Connecticut General Statutes, Revision of 1958, as amended, and (2) upon the recommendation of the Board of Selectmen, such acquisition has been approved by the Town Meeting or referendum. (b) to authorize the issue of bonds, notes or other obligations of the Town in an amount not to exceed \$2,000,000, and to provide that the amount of bonds, notes or other obligations authorized to be issued shall be reduced by the amount of grants received by the Town for the project to the extent that such grants are not separately appropriated to pay additional project costs; to authorize the issue of temporary notes of the Town in amount not to exceed \$2,000,000 in anticipation of such bonds, notes or other obligations and the receipt of such grants; and to authorize the First Selectman and the Finance Officer of the Town to determine the amounts, dates, interest rates, maturities, redemption provisions, form and other details of the bonds, notes or other obligations and temporary notes; and to perform all other acts which are necessary or appropriate to issue the bonds, notes or other obligations and temporary notes;

(c) to take such action to allow temporary advances of available funds which the Town reasonably expects will be reimbursed from the proceeds of borrowings; and to authorize a majority of the First Selectman and the Finance Officer to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds, notes or other obligations and temporary notes authorized by the resolution if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years;

(d) to authorize the First Selectman and the Finance Officer to make representations and enter into written agreements for the benefit of holders of the bonds, notes or other obligations and temporary notes to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds, notes or other obligations and temporary notes;

(e) to authorize the First Selectman to apply for and accept federal and State grants to help finance the appropriation for the project; to authorize the First Selectman, on behalf of the Town, to apply for and accept State loans to finance the project, and to enter into any loan agreement prescribed by the State; and to authorize the Board of Selectmen, the First Selectman, the Finance Officer and other proper officers and officials of the Town to take any other actions necessary to obtain such grants or loans, or to implement such grant or loan agreements; and
