ARTICLE IX INSURANCE AND PENSION

9.0 High Deductible Health Plan/Health Savings Account (HDHP/HSA) Plan

The Town shall offer regular full time employees and their dependents, in accordance with the eligibility requirements of the plans, medical insurance benefits as set forth below.

Eligible employees may elect coverage under a HDHP/HSA Plan with deductibles of Two Thousand Five Hundred Dollars (\$2,500) for a single and Five Thousand Dollars (\$5,000) for two-person and family coverage. In and out-of-network benefits share the same deductible. For out-of-network the member will have an additional responsibility for 20% of the cost of services after deductible until the cost share maximum ("CSM") reaches \$5,000 single (includes deductible) and \$10,000 family (includes deductible). The CSM also includes prescription copays after deductible.

In the first pay period in January 2017, the Town shall fund eighty percent (80%) of the deductible cost into a Health Savings Account ("HSA") for each employee. In the 2018 plan year, the Town shall fund eighty percent (80%) of the deductible cost into a Health Savings Account ("HSA") for each employee with half of such deposit to be made in the first pay period in January and half to be made in the first pay period in July. Effective January 1, 2017, employees who elect benefits under the HDHP shall contribute thirteen percent (13%) of the premium cost for said insurance for themselves and their dependents by bi-weekly payroll deductions. The employee premium share contribution shall increase to fourteen percent (14%) effective January 1, 2018; and fifteen percent (15%) effective January 1, 2019.

The Town's contributions to an employee's HSA shall be prorated by month to reflect the proportional number of months remaining in the plan year for any new employee or for any employee who, due to a qualifying event, enrolls in the HDHP after January of any given HDHP plan year.

The Town's annual contribution toward the funding of the HSA is not an element of the underlying plan, but rather relates to the manner in which the deductible shall be funded for employees. The Town shall have no obligation to fund any portion of the HSA plan for retirees or other individuals upon their separation from employment.

ARTICLE IX (Continued)

- 9.1 If the total cost of a group health plan or plans offered under this Agreement triggers an excise tax under Internal Revenue Code Section 49801, and/or any other local, state or federal statute or regulation, the Union and the Town agree to reopen this Agreement for the purpose of negotiating (1) alternative insurance plan(s) with a total combined cost that either reduces/mitigates the excise tax or falls below the excise tax thresholds; (2) funding of the excise tax and (3) any other issues presented by the imposition of the excise tax.

Said coverages shall be the same as listed in the current Collective Bargaining Agreement. Thereafter, the employee shall receive the Medicare Subpart A and B riders. The Town shall pay 100% of the premium cost for the aforementioned Medicare coverage. If the employee elects to have dependent coverage by the above insurance, they may do so by paying 100% of the difference in premium rates applicable for individual coverage and the elected dependent coverage. Employees hired prior to September 28, 2009, shall continue to be eligible to receive retiree health insurance. Such employees are listed by name and date of hire in Appendix D.

ARTICLE IX (Continued)

Employees hired after September 28, 2009, shall not receive any Town contribution to the cost of retiree health insurance coverages listed in this Article Section, but such employees will be able to purchase health insurance through the Town at the Town's cost, provided said employees shall pay 100% of the cost of coverage for themselves and their dependents.

- 9.8 Any bargaining unit employee who shall suffer personal injury in the performance of his/her work and who shall be eligible for payments under the Workers' Compensation Act shall be paid by the Town during the period of his/her incapacity and not to exceed a period of six (6) months, the monetary difference between said employee's weekly straight time wages and the benefits payable to him under Workers' Compensation Act.
